

GUEST Speaker CLAIBORNE YOUNG
THURSDAY 09 FEBRUARY 2012

Marina Jack 1130

LUNCHEON Cost \$16

***Come hear from a 30+ year cruising guide,
author of six books for coastal waters of
Southeastern USA and especially Florida's West
Coast. Claiborne is world renowned and you'll have
the chance to meet him.***

Claiborne Young is an avid and experienced boater. While he was growing up his family spent many summers on the North Carolina coast, and he never lost his early love for cruising. He spends months on the water researching each of his cruising guides, so that all the recommendations and navigational data could be based on personal and recent experience.

Claiborne's 6 Guide Books:

Cruising Guide to Coastal North Carolina

Cruising Guide to Coastal South Carolina and Georgia

Cruising Guide to Eastern Florida

Cruising the Florida Keys (with co-author, Captain Morgan Stinemetz)

Cruising Guide to Western Florida

Cruising Guide to the Northern Gulf Coast

Due to Claiborne's popularity, we will have to take a count for this luncheon.
